

# Create - Strategic Create Services

## Description

Litera's Strategic Create consulting engagement is a comprehensive service designed to optimize the use of Litera Create Templates & Content across a firm's operations.

## Pain Points

- **Inefficiencies** – Lack of a Templates subject matter expert at the firm can cause underutilization or inefficient use of template solution.
- **Operational Inconsistencies** – This may lead to inconsistencies across different regions or practice groups.
- **Missed Productivity Opportunities** – It can also result in missed opportunities for productivity and quality improvement.
- **Problem Resolution** – Litera's strategic consulting engagement aims to solve this problem.
- **Tailored Strategies** – It provides tailored strategies and plans to fully utilize the tool's capabilities.
- **Cross-Functional Application** – The solutions are applicable across all areas of the firm's operation.

## Outcomes/Benefits

- **Efficiency and Productivity** – Fully leverage Litera's capabilities across all regions, practice groups, and administrative functions to maximize efficiency and productivity.

### Deliverables:

- In-depth research methods like lawyer interviews and surveys.
- Requirements gathering to develop a strategic plan tailored to the firm's needs.

## Firm Resources Required

- **Firm Sponsor** – Provide access to staff required for interviews.
- **Lawyers** – Needed to conduct interviews.
- **IT Team** – Provide access to firm's current Template environment.
