Transforming the Legal Experience

For 30 years, Litera has led the legal technology revolution, combining decades of industry expertise with continuous innovation and a focus on AI-driven solutions.

Litera empowers the world's leading law firms with solutions for Legal Work, Firm Performance, and Firm Governance. Our intuitive, powerful tools transform how modern firms optimize workflows, collaborate, and leverage institutional knowledge. Serving more than 2.3 million legal professionals globally, Litera helps attorneys focus on their craft while making data-driven decisions, strengthening competitive advantage, and delivering enhanced client value. As pioneers in GenAI for legal technology, we continually evolve our solutions to shape the future of legal work.
