WEBSITE

litera.com

Litera, a leader of the legal AI revolution, is on a mission to Raise The Bar™ for the legal profession by delivering transformational and globally-trusted solutions to law firms and corporate legal teams worldwide.

Our comprehensive suite of Generative and Agentic AI-driven tools powers and unifies workflows across Legal Work & Drafting, Knowledge Management, Legal Operations, Security & Governance, Marketing and Business Development with next-generation Proactive Relationship Management (PRM) capabilities. Integrated directly into where lawyers work—in Microsoft 365 and across devices—Litera elevates how legal professionals effortlessly create exceptional work, win more business, streamline operations, and enables seamless governance and data security through AI workflows to reduce context-switching. With more than 30 years of legal tech innovation, a majority of the world's largest law firms as clients, and 2M+ daily users, Litera is taking the craft of law to the next level.
