

Data Privacy Frameworks

Freedom Solutions Group, L.L.C. d/b/a Litera (“Litera” or “we”) participates in the EU-U.S. Data Privacy Framework, the UK Extension to the EU-U.S. Data Privacy Framework, and the Swiss-U.S. Data Privacy Framework (collectively, the “Data Privacy Frameworks”). We have certified to the U.S. Department of Commerce that we adhere to the Data Privacy Framework Principles with regard to the processing of personal data we receive from the European Union/European Economic Area, the United Kingdom, and Switzerland in reliance on the Data Privacy Frameworks. To learn more about the Data Privacy Framework Principles, and to view our registration, please visit <https://www.dataprivacyframework.gov/>.

Litera is committed to resolving complaints and concerns about our processing of personal data under the Data Privacy Frameworks where they are applicable. If you have any questions or concerns regarding our handling of your personal data received in reliance on the Data Protection Framework, please reach out to us by email at legal@litera.com, by phone at (603) 598-1100, or by mail at the following address:

You can also file a data subject request at [Litera Data Subject Request Form](#) or via email to legal@litera.com. If we have not addressed your concern or complaint regarding our handling of your personal data under the applicable Data Privacy Framework to your satisfaction, you may contact International Centre for Dispute Resolution (ICDR-AAA), an alternative dispute resolution provider based in the United States, [here](#). The services of ICDR-AAA are provided at no cost to you.

If your concern or complaint is not resolved by Litera or by ICDR-AAA to your satisfaction, you may pursue binding arbitration by following the terms set forth in Annex I of the applicable Data Privacy Framework Principles. To learn more about this process, please visit <https://www.dataprivacyframework.gov/>.

Litera is subject to the enforcement and investigatory authority of the United States Federal Trade Commission. We may be required to disclose personal data that we handle under the Data Protection Frameworks in response to lawful requests by governmental or regulatory authorities, including to meet national security or law enforcement requirements.

Litera may transfer personal data we receive under the Data Protection Framework to third parties that perform services on our behalf. We remain responsible and liable under the Data Protection Framework Principles if the third-party processes personal data in a manner inconsistent with the DPF Principles, unless we prove that Litera is not responsible for the event giving rise to the damage.

For more information about our data privacy practices, please review our [Litera Group Privacy Notice](#).
